SPECIAL NEEDS CABIN MUST CALL

Cabins are reserved per cabin, per night, no matter how many furry family members from the same household are staying together. For everyone's comfort and safety, only pets from the same household may share a cabin, and pets from different households will need their own cozy cabin space. Guests heading home before 12:00 PM will have no charge. Pick-ups between 12:00 PM and 5:00 PM will include a \$24.00 half-day stay, and departures after 5:00 PM will include an additional \$24.00 half-day fee.
